2023 Season

Shipston Lawn Tennis Club is excited to welcome you to the 2023 season.

We pride ourselves on being an inclusive and welcoming club for all levels, whether social, competitive or socially competitive!

There is a host of ladies', men's and mixed events on offer and plenty of opportunities to get involved in competitive match play for those interested. Our youth and coaching programs will see a great deal of growth in the coming year.

In addition, our calendar of fundraising events are a great way to meet other members of the community and are imperative for ensuring the continued success of the club. We encourage all to attend.
